

Albany Desk

This is a strong and distinctive piece with solid, clean lines. It's got a simple, geometric quality to it, with crisp right angles composing the slender frame. The Albany desk adds a quiet elegance to both traditional and contemporary environments, with customisable options to create just the effect you're after. The tactile touches on this piece are what really set it apart, with walnut drawers and a smooth leather body. The steel frame can be finished in any of our standard finishes and combined with a leather colour of your choice, all available to browse on our website.
