

Capricorn Oval Dining Table

The Capricorn is a classic design with signature Tom Faulkner attention to detail. It's a modern oval dining table that's handmade in England at our Wiltshire workshop. We begin with the base, drawing together four plates of metal, conjoined to perfection for a smooth, sweeping effect. The pedestal can then be paired with a range of glass, marble, or wood tops. Make it your own by selecting your favourite standard or specialist finish, with an optional brass or bronze top plate. We'd recommend pairing the final product with our dining chairs to maximise the effect, inviting guests to gather around this distinctive feature table.
