

Eric-Charles Donatien Tiffany Chair

Tom met Eric-Charles Donatien in 2017. Eric is one of Paris's few remaining plumassiers – in the eighteenth century there were hundreds – and an absolute master of his craft, working with all of the great fashion houses – Alexander McQueen, Yves Saint Laurent, Gianni Versace etc. and making feathered creations for such modern day luminaries such as Beyoncé, Kim Kardashian and Nicole Kidman. When Eric met Tom he was Eric immediately struck by a quality that Tom's furniture shared with his beloved feathers: the seamless combination of form and functionality. "I was mesmerised by the lines" he says, "the perfection of what are, to me, his very natural designs. They seem almost obvious because they are so perfect, like great music."
