

Siena Plinth

The Siena plinth is perfect for displaying sculptures, flowers, or decorative objects. The simple, classical design can be adapted to suit almost any environment. We make each one to order so can easily work to bespoke dimensions, finishing it in a selection of standard or specialist options. We also offer a variety of materials for the top, which are available to browse alongside our finishes here. If you're looking to create a cohesive display, explore our full Siena collection.
